Please read through all information.

Players do not need wristbands. Coaches will have a separate color. Your 20 wristbands are for spectators. If you are going to come pick them up, please give us a heads up that you are coming, so that we will be sure to be here. Come to the ticket window on the left side of the lobby.

Admission fees:

Each team is responsible for purchasing a package of wristbands. The cost is \$100 per team and includes 20 wristbands (\$5 each). They are yours to use however you choose. Everyone, regardless of age must have a wristband. They are not transferrable. You can't switch out during the day. **There will be no wristband sales on site.** Only one package per team. Coaches must pick up their wristbands when they arrive to distribute to parents. If you are local and able to, please pick up your wristbands sometime between 12 and 4 3/24-3/26. If you are coming from out of town, we will deliver them to your hotel. Let us know where you are staying and whose name to leave them under. If you have teams playing on both days, you can pick up both sets of wristbands at the same time. Otherwise you can pick them up in the morning when you arrive, if you don't pick them up ahead of time. We are trying to limit crowds at the start of your wave. Please don't create a "gate line" in the lobby to collect money from your parents. Please make every effort to distribute them ahead of time. You can purchase wristbands here: [March Meltdown](#). Wristbands will be different colors each day.

Schedule: Please make sure you read the schedule carefully. All teams will play a minimum of 4 matches.

We are still working on completing the specific schedule. However, your wave times are below.

Format: All pool play matches will be 2 sets to 25. Bracket play will be best 2 out of 3. Everyone is guaranteed 4 matches. **You do not need to bring volleyballs**

Officiating: There will be no work teams. Each team playing must supply a volunteer/parent line judge and a table worker. We will use a modified scoresheet.

Off teams: Any team that is not playing must leave the court area to socially distant spacing in heritage court arena. We will send more info on that later in the week. There is no camping at floor level. This includes all players, coaches, parents and their chairs. All must vacate to the 2nd floor. There are windows on the 2nd level that will allow you to monitor the status of the match ahead of you on your court.
