

Thank you so much for joining us for a club tournament this weekend! We are so excited to be back in the gym again! We have organized two waves: First wave starting at 8:00 A.M. (15s division) and the second wave starting at 2:30 P.M. (16s division). Our hope is that teams can get quality competition in a short period of time to limit the potential COVID-19 exposure. Lots of great volleyball, no waiting around!

The schedule for this weekend is available via the link below:

www.matchboxrec.com/16tournament1schedule

Concessions and gear will be available for sale. All coaches eat/drink/snack for free in our gym. Please check in with the front desk upon arrival to receive your wristband for unlimited access to the concession stand.

All teams are guaranteed four matches. If your team is not playing, we will need assistance with R2, scorebook, libero, and line judging duties on BOTH courts. If you do not have enough players to fulfill all the officiating duties, Matchbox staff will assist when possible. Since players will be working or officiating all day, we will have 10 minutes between each match to give players a little break between games. If your players need to eat or hydrate while assisting with officiating assignments that is fine with us.

Masks are highly encouraged for all non-active participants and spectators in our facility. We will have limited seating available; families are welcome to bring in their own chairs to help us limit the potential spread of COVID-19. Warmup balls will be provided, but you are welcome to bring your own if you prefer. Because we limited the number of participating teams, there is no spectator limit this weekend; however, please be mindful of the number of spectators you bring with you. We are trying to create the safest environment possible for our athletes while still allowing them to participate in important and beneficial athletic experiences.
